

U-Shaped Sectional with Curved Back Corners

The Blue line is imaginary to measure the overall length of each section of the sofa. This may be a little difficult...just get as close as you can. For the blue arrow, what would the measurement be from the imaginary corner to the back of the sofa?

Customer name: #1 #5 1. Total length: #2 2. Total length: 3. Fullest depth: ___ 4. Inside length: 5. Width of seat: #4 6. Inside length of center seat: 7. Distance from sofa to corner: _____ 8. Thickness of frame: _____ #8 9. Back height: _____ 10. Seat height: _____ 11. Arm height: _____
