

HARBORTIME® EDGE

HarborTime® Edge is a new product from Trivantage® featuring Perfecta Marine® technology, providing superior heat reduction, heat reflection, and exceptional UV performance. As a result of these enhanced benefits, Trivantage offers an industry leading 7-year warranty for this hybrid-coated fabric. HarborTime Edge is also available in a 13-ounce fabric in three colors as HarborTime Edge HD. **Note:** full enclosures should be vented for air circulation.
